At BOSKA we make Food Tools for Life and we believe quality is sustainability. Our goal is to design products that last a lifetime. It all began near Gouda, in Holland, where blacksmith Willem Bos made his first cheese tools for the local farmers. From that day on it's our family tradition to create fun & smart Tools for the Cheese Professionals, mongers and retailers. So whether you're cutting, slicing, grating, packing or presenting, we love to help you sell more cheese, have less waste & make mouthwatering presentations. Let's bring the cheese party to the table. Enjoy!

Fourth generation of BOSKA,

Martijn Bos
