Adcraft Topping Warmer and Dispenser, 1 Kettle with Ladle and 1 Pump Dispenser, in Stainless Steel

NCW1P1L120

Bring versatility and efficiency to your service station with the Adcraft Topping Warmer and Dispenser, featuring one kettle with a ladle and one pump dispenser. Designed to hold and serve two different toppings simultaneously, this commercial topping warmer is ideal for nacho cheese, hot fudge, caramel, chili, or dessert sauces in concession stands, quick-service restaurants, convenience stores, cafeterias, and other foodservice establishments. The heated stainless steel base maintains sauces at the perfect serving temperature and consistency. The dual dispensing system gives you flexibility, making it an excellent choice for serving both liquid toppings and thicker sauces.

Features and Construction

- Constructed with durable stainless steel for longevity
- Operates on 120V with a NEMA 5-15 plug type
- Equipped with mechanical controls for precise operation
- One kettle with ladle and one pump dispenser, each with 3.5 quart capacity
- Features no casters for stable placement
- Designed to keep toppings at safe serving temperatures
- Dispenses toppings in controlled portions
- Overall maximum temperature of 195°F
- Perfect for nacho cheese, hot fudge, caramel, chili, gravy and more
- Also ideal for condiments including ketchup, mustard or specialty sauces
