Adcraft Full-Size Insulated Heater Proofer, in Silver

PW36I

Keep food hot and proof dough with the Adcraft Full Size Heater Proofer. This insulated heater proofer is constructed of anodized 6063 aluminum extrusion with .08" thick aluminum base with formed channels. It has a field reversible door to accommodate any commercial kitchen space. This full-size heater proofer holds up to 36 full sheet pans with 1-1/2" clearance between slides. The door is made of durable 0.08" thick clear Lexan, which provides visibility without heat loss.
