

Infusion Series ITB Low Profile

ITB Infusion Low Profile

Dimensions: 29.4" x 23.7" x 11.7"
(74.7cm x 60.2cm x 29.7cm)

Features

- Sleek, modernized design language on the brewer, with rounded angles on the corners and trunk
- Digital readout displays in English, Spanish, or French ---for easier programming and control--- and can show either 'Standard' or Metric measurements. Digital readout also shows machine status, and targeted advertising messages can be programmed for display.
- BUNN Infusion Series technology allows for multiple recipes from one footprint --- with three brew buttons and two batch sizes
- Easy pulse display allows for simplified programming of pulse routine
- Compact, low-profile styling to accommodate a variety of spaces
- Energy-saver mode reduces tank temperature during idle periods
- Exclusive Peak Extraction™ Sprayhead is multi-directional with a 7-hole design to ensure ultimate uniformity of extraction
- Electronic funnel lock prevents removal of each brew funnel until drip- through is complete
- USB programming capable
- Brew counter keeps track of how many batches are brewed
- Pre-infusion and pulse brew for maximum flavor extraction. Cold brew lockout & digital temperature control further ensure top-notch brewing.
- Includes overlay kit for customization of brewer interface
