Features

Visual Hopper Grinder

- New sleek styling with visual hopper promotes freshly ground coffee
- Versatile design allows grinding into bags, cans, and cups and other containers to meet a multitude of customer needs
- Fast grinding – one pound (.45kg) in about 30 seconds – maximizes speed of service
- 340° dial resolution for precise tuning of grind particle size
- Ergonomic clamp for holding smaller size bags and containers in place for hands-free operation
- Easy to use cleaning lever for complete removal of coffee from grind chamber ensures the customer gets all the coffee ground for them
- Precision Rockwell 65C hard burrs provide consistency, grind after grind
- Bag switch prevents grinding before bag/container is in place
- Four-year warranty on grinding burrs
