

## Brunner Anliker Extended 5-Year Warranty

Food Service Solutions Inc. (FSS) warrants that the equipment, as supplied by FSS and sold within Canada to the original purchaser, is free from defects in materials and workmanship. Should any part thereof become defective as a result of a manufacturing defect within the period and limits defined below, then, at the option of FSS, such parts will be repaired or replaced by FSS or its authorized service agency.

At FSS's discretion, this warranty may be suspended if the invoice for the equipment in question is not paid within 30 days from date of invoice.

Repairs under this warranty are to be performed only by an FSS authorized service company. In all warranty cases the closest FSS authorized service agency (or sub-agent) must be used.
