# Eloma—The Right Decision For Your Operation

## Introducing the Next Generation of Tabletop Combi Ovens from Eloma

Experience one of the best warranties in the business with our latest tabletop combi ovens. At Eloma, we don't just design beautiful ovens; we build them to perform and endure: efficiently, reliably, and expertly. Available in two advanced models—Genius MT with a state-of-the-art touch screen control, and Multimax with a streamlined touch screen and dial control—both offer exceptional new features. Choose between Eco or Power Steam, and select liquid or solid cleaning and rinse agents. With a three-year parts and two-year labor warranty, you can trust Eloma for unmatched quality and service.

## Choice and Quality with Eloma

At Eloma, it's all about choice. Whether you opt for the advanced MT controller in our Genius MT models or the streamlined control of the Multimax, both feature the same high-quality, heavy-duty construction you've come to expect. Our exclusive Hybrid Cleaning System ensures compatibility with both liquid and solid cleaning and rinse agents. With true mirrored configurations and a compact footprint of only 35.7 inches wide, there's always room for an Eloma combi oven in your kitchen. Additionally, our ovens are available in ventless and stacked configurations to meet your unique needs.
