

Ice Pro™

automated bagging systems

One of the best investments you can make!

FAST - Bag 6 - 8 bags per minute

EASY - Dispense ice with the push of a button

SAFE - No bending into bins and scooping

SANITARY - Fresh, clean ice untouched by human hands

Up to \$15,000 per year higher profit if you are buying bagged ice now.

Reliable supply – even on holiday weekends when the “ice man” can't deliver enough ice.

85% faster than manually bagging ice.

So easy, your employees will actually enjoy bagging ice.

Use Follett's “E-Z” 2-step custom payback calculator on the web to evaluate your store.

www.follettice.com/calculators

An outstanding value by any measure!

	Savings \$ per year	ROI**	Profit per sq. ft. of floor space †	Profit per labor hr. ‡	Payback
Average Convenience Store*	-	10%	\$5	\$25	-
If you purchase and re-sell bagged ice (figures based on 8 lb. bags)					
250 bags/week (35 bags/day)	\$7,500	45%	\$200	\$200	2 years
500 bags/week (70 bags/day)	\$15,000	100%	\$400	\$200	1 year
If you manually scoop and bag ice (figures based on 8 lb. bags)					
250 bags/week (35 bags/day)	\$2,000	15%	\$50	\$50 ‡	5 years
500 bags/week (70 bags/day)	\$4,000	35%	\$100	\$50 ‡	2½ years

* Financial data on C-Stores from NACS 2005 State of the Industry Report ** Return on capital employed

† Profit as measured by earnings before interest, taxes depreciation, and amortization

‡ Improved worker safety will increase these savings and ROIs

Model DB1000SA with blower motor, bag stand assembly and dispense timer shown.

- User-friendly control panel minimizes training time

- Blower automatically opens bags for hands-free filling
- Independent agitation system prevents bridging
- Lockable, clear window with interlock switches for easy inspection of ice level
- Dual-position dispense chute – fill bags or carts with the flip of a lever
- Accommodates most cube icemakers and Follett Chewblet icemakers
- Adjustable bag stand accepts up to 20 lb (9kg) bags – lifts off to fill coolers, totes, and carts

Power up profits with Chewblet® ice

- Customers love Chewblet ice in their fountain drinks and they'll love it at home too!
- Combine Ice Pro with a Follett Horizon™ Chewblet icemaker to sell premium Chewblet ice in bags.
- With a cost of less than 25 cents a bag, it's easy to run promotions that drive packaged beverage sales – and still make money on the ice!

Model DB1000SA with optional SmartCART™ 125 for storage and transportation of up to 125 lbs (57kg) of ice shown.
