

# COMBI OVENS

Key details that you need to know about Henny Penny Combi equipment - all in one place

# FLEXFUSION® COMBI OVENS

## QUICK REFERENCE

- Fast, powerful cooking with moist and dry heat in combination for perfect results with whole chickens, roasts, sides, retherm plates—even desserts and pastries!
- Choice of size, control type, power level and pan flexibility to fit any application
- Save on labor, energy, water, maintenance and space

### ALL FLEXFUSION COMBI OVENS

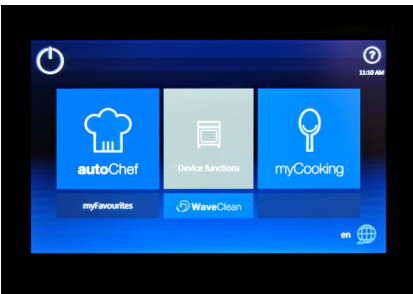

- DynaSteam2 instant steam generation without the maintenance issues of a separate boiler
- WaveClean® automatic cleaning
- Crosswise racking for improved ergonomics
- 5-speed auto-reverse fanwheel
- Triple pane door glass
- One-touch delayed Start/Preheat
- USB connectivity
- Long-lasting stainless steel construction

### WHAT DOES THE CUSTOMER NEED IN A COMBI OVEN?

<b>AUTOMATIC</b>	Platinum/Chef'sTouch® control			
<b>VOLUME</b>	PowerAdvantage	FlexiRacks®		
<b>VERSATILITY</b>	FlexiRacks®	Team Combi	Stackable	Combi Smoker
<b>SPACE</b>	Space\$aver	Team Combi	Stackable	
<b>LOCATION</b>	Space\$aver Team Combi + Integrated Hood			

### CHEF'STOUCH® CONTROL

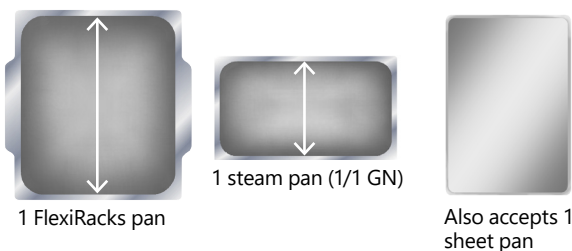

7-inch full color tap/swipe display with cooking, operations and maintenance apps

Chef'sTouch

### FLEXIRACKS® SYSTEM

Up to 100% increased capacity vs steam pans

1 FlexiRacks pan

1 steam pan (1/1 GN)

Also accepts 1 sheet pan

### FLEXFUSION PLATINUM FEATURES

- Chef'sTouch® control apps improve cooking efficiency and help with training, operations and maintenance
- Active humidity reduction
- Select and maintain precise humidity level from 0 to 100%
- Smoker option on 6 & 10 pan model
- Steam injection
- Create recipes or select from 350 AutoChef cooking programs
- Multi-sensor core temperature probe
- Multiple language settings

### FLEXFUSION SPACE\$AVER FEATURES

- Shares most Platinum Series features
- Narrow < 22 in (558 mm) wide cabinet
- Integrated LED lighting
- Fanwheel configuration optimizes air flow

### SPACE\$AVER & PLATINUM TEAM

- Two separate ovens in one cabinet
- Separate control displays in one panel
- Space\$aver integrated hood option

### SUSTAINABLE DESIGN & OPERATION

- Uses 36% less water
- Energy efficient triplepane glass
- High-efficiency motor
- Heat exchange system
- Single 2-in-1 cleaning cartridge
