

18" Countertop Cylindrical Refrigerated Showcase

ITEM: 39552
MODEL: RS-CN-0072-R

High Performance and Quality Cylindrical Countertop Display Case

Display your refrigerated items in style with our sleek glass showcase, designed to offer a full view from every angle. Perfect for busy environments, its spacious capacity allows you to store and present a wide variety of products with ease.

Featuring eco-friendly R290 refrigerant, this unit includes a digital temperature controller with light control to ensure ideal conditions and brilliant interior illumination. The stainless steel construction offers durability, while adjustable PVC-coated shelves give you flexibility. With a ventilated cooling system, automatic defrost, and maintenance-free controls, this display case combines performance and convenience, making it a smart addition to any store.

FEATURES:

- Eye catching internal LED lighting
- Stainless steel exterior and interior
- Maintenance free controller
- Digital temperature controller and display
- Adjustable PVC coated shelves
- Ventiladed cooling system
- Automatic defrost
- Easy adjustable feet
