

Cold Stations

1/6-Size Pan Stations

- Open design stainless steel servers allow for modular pan set-up, typically 1/6-size
- Easily monitor fill levels and showcase contents; clear hinged lids adjust for self-close or stay-open operation
- Keep food cold up to (4) hours between changeouts with (1) eutectic ice pack per 1/6-size pan (each sold separately)
- Single pan models are ideal for a Health Department-friendly, self-serve drink station with tongs stored off countertop

model/item	application	description	capacity	dimensions (HxWxD)	weight
d IRS-1 67850		lemon server	includes 1/6-size, 2 3/4 qt pan	8 5/8" x 8 3/16" x 9 3/4"	7 lb

LIVEN UP WITH A LEMON SERVER

Fresh lemon slices are an easy way to improve drink quality and customer experience. Ready right out of the box, this little lemon server doesn't sweat. Its hinged cover protects from contaminants and the tongs hang neatly on a hook.

Comes complete with merchandising decal and all you need to serve:
(1) 90089 1/6-size pan, (1) 67859 tongs and (2) eutectic ice packs
(use one, freeze one.)
