

23" Drop-In Freezer

Model: SKFDI23-ELUS1 115V

Silver King® is the leader in reliable and energy efficient refrigeration solutions. Our sleek, stainless steel refrigeration equipment is made with the highest quality materials to guarantee everything is kept fresh and meets temperature standards. Our equipment has polyurethane insulation for maximum strength and durability, and minimal energy waste.

Standard Features

- Exterior stainless steel top with galvanized sides and bottom reduces risk of corrosion.
- Interior stainless steel, coved corners and finished edges for easy cleaning.
- Environmentally friendly polyurethane foamed-in-place insulation for maximum strength and durability.
- CFE-free, R290 refrigerant, hermetically sealed, high efficiency, self contained refrigeration system with manual defrost.
- Standard 8 foot 3 wire power cord with NEMA 5-15P plug.
- Adjustable temperature control mounted in front for easy access.
- Limited Warranty: 1-year labor, 1-year parts, 5-year compressor (part only), 90-days replacement parts. Warranty is determined by the original equipment manufacturing date for general market.*
