

STEEL LOCKERS

- Multi-User Steel Lockers can be used in all types of facilities, and industries, perfect for any environment.
- All Lockers open with door pulls and will accept padlocks (not included) for Positive Latching. Also can be used with flat key lock (not included).
- Doors are mesh grid vented. For clear identification of personal items and security.
- All lockers have a replaceable box base attached at the factory. Bases prevent dirt, dust and debris from accumulating under the lockers keeping the locker area clean and reducing labor costs.
- Shipped fully assembled, ready to use upon arrival.
- Beige finish.
- Sequentially numbered labels provided for easy identification.
